

Bring Your Skills Where They're Valued – Join Southern Electrical!

Residential Electrician

Location: Fredericksburg, VA

At Southern Electrical, we believe great electricians deserve a company that values their work, supports their growth, and treats them with respect. If you're an experienced Residential Electrician who takes pride in quality craftsmanship, we'd love to have you on our team.

For more than 60 years, we've built our reputation on doing quality work, supporting our employees, and building lasting relationships with our customers. When you join Southern Electrical, you're joining a team that works hard, looks out for one another, and takes pride in every home we help build.

What's in It for You?

- Earn \$25 to \$38 per hour based on your experience
- Paid time off (PTO) and paid holidays
- Medical, dental, and vision insurance
- Company-paid life insurance, short-term disability, and long-term disability
- 401(k) with company match
- Opportunities for advancement and continued career growth
- Year-round, steady work with an established company

Why You'll Love Working Here

- Work alongside a team that supports one another and enjoys what they do
- Be recognized for your craftsmanship and attention to detail
- Help mentor apprentices as they learn the trade
- Enjoy the stability of a company that invests in its employees

Your New Role

As a Residential Electrician, you'll help wire new homes from start to finish by:

- Installing electrical systems in new residential construction
- Completing rough-in, trim-out, and final electrical installations
- Installing panels, circuits, outlets, switches, lighting, and service equipment
- Reading and interpreting blueprints, electrical drawings, and specifications
- Ensuring all work meets NEC requirements and local building codes
- Maintaining a clean, organized, and safe job site

What We're Looking For

- Minimum of 2 years of residential new construction electrical experience
- Ability to read blueprints and electrical layouts
- Strong knowledge of residential wiring methods and the NEC
- Ability to work independently and as part of a team
- Dependable, self-motivated, and committed to quality workmanship
- Valid driver's license with a clean driving record
- Authorized to work in the United States
